To Whom It May Concern,

RE: Letter of Recommendation

It is with pleasure that I write this letter of recommendation for Silvano Cioci-Faux. Over the last 7 years Silvano has undertaken a variety of restoration works across the property portfolio of the Archdiocese of Liverpool. The quality and skill to which Silvano undertakes his work is to the highest standard and we (myself and the parishes) have always been impressed with the work produced. Silvano always acts professionally and is a pleasure to work with.

I would have no hesitation in recommending Silvano to other potential employers.

Feel free to contact me should you have any questions.

Yours faithfully,

Kirk Williams
